

To reserve a seat, you basically proceed in the same way as when booking a ticket. You enter your travel data, then you click on **"Find Services -> Seat only (no ticket)"**. Subsequently you select the train you want to take and - optionally - more details for your reservation preferences.

Even if you are travelling with children: Please always select „adults“ when reserving seats only (e.g. 2 adults and 3 children = 5 adults).

The screenshot shows the ÖBB website's search interface for 'Timetable & Tickets'. The page includes navigation tabs for 'From-To', 'My Favourites', and 'All Products'. The main search area contains several input fields and buttons:

- 1**: 'From' field containing 'Wien'.
- 2**: 'To' field containing 'Innsbruck'.
- 3**: Date and time selection fields showing '13.07.2022' and '14:08'.
- 4**: Passenger selection field showing '1 x adult'.
- 5**: A dropdown menu under 'Find Services' with 'Seat only (no ticket)' selected.

At the bottom left, there is a 'Log in with existing account' section with the text 'If you already have an ÖBB Account, please log in here.' and buttons for 'Create customer account' and 'Log in now'.
